

Ain't Gonna Rain

Simplified C and G7 chords

Rudy Dendron

It ain't gon-na rain no more no more It ain't gon-na rain no more
A boy stood up-on the burn-ing deck his feet were full of blisters
While deep in an uf-fish thought he stood a big jab-ber-wock came out

How in the heck can we wash our neck when it ain't gon-na rain no more?
Snag-ged his pants on a rus-ty nail and now he wears his sisters'
That's when the boy got a great big branch and he whacked it up-on the snout
