FERNANDO

C

Can you hear the drums, Fernando?

Am

I remember long ago another starry night like this.

Dm

In the firelight Fernando

G

You were humming to yourself and softly strumming your guitar

I could hear the distant drums and sounds of bugle calls were

C

coming from afar

They were closer now Fernando

Am

Every hour every minute seemed to last eternally

Dm

I was so afraid Fernando

G

We were young and full of life and none of us prepared to die

And I'm not ashamed to say the roar of guns & canons almost made

C

me cry

C

G

*There was something in the air that night. The stars were bright,*

C

*Fernando*

G

C

*They were shining there for you and me -for liberty, Fernando*

A7

D7

*Though I never thought that we could lose, there's no regret*

G7

C

*If I had to do the same again, I would my friend, Fernando.*

G7

F

*If I had to do the same again, I would my friend, Fernando.*

C

Now we're old and grey, Fernando

Am

And since many years I haven't seen a rifle in your hand

Dm

Can you hear the drums, Fernando?

G

Do you still recall the frightful night we crossed the Rio Grande

I can see it in your eyes how proud you were to fight for freedom

C

in this land
